Summary

Full Stack Web Developer with background in Graphic Design and Computer Science. Dedicated to seek out new learning opportunities and fortifying current skills. Effective at finding creative solutions and merging frontend and backend for cohesive and functional applications.

Experience

Pharmaca Integrative Pharmacy (july 2019 - present)

Web Developer. Maintained current website by updating banners, designing new pages, refreshing old pages, and keeping up with best web design practices. Redesigned pages that needed updating and bringing old web code into modern practices. Converted site to be mobile first and user intuitive.

Spotzer Media Group (aug 2018 to feb 2019)

Web Designer. Designed and created DUDA and WordPress websites for a variety of clients through partnerships such as Vivial and 1&1. Maintained and ensured quality with design partners overseas, including meetings and training. Sole U.S. designer, helped the US office run smoothly and problem solved any design and dev issues.

melinda mccaw media (2017 to 2018)

Graphic Design & Web Design Intern. Designed and critiqued mock ups for websites, filled content & assisted in the development of custom wordpress sites. Conceptualized and designed in house work, such as ads and identity branding for the company. Created print pieces for clients and graphic assets to be used with web and print collateral.

action agendas (2017 summer season)

Production Artist. Designed custom student planner covers and set up handbook inserts for print production. Worked in a design team, as well as a large production team.
